NEWSLETTER - OCTOBER 2019

PLAN day Maastricht – May 24th 2019

Last May, we were able to enjoy a successful PLAN day organized in Maastricht. Several PhD students presented their diverse work in the field of Nephrology from the departments of nephrology, clinical immunology, pathology and biochemistry. Prof. Dr. Jeroen Kooman concluded the day with an inspiring talk on the effects of extreme altitude on kidneys, lungs and brain based on his personal experience at Mt. Everest Base Camp. Afterwards, the day ended with some well-deserved drinks and socializing.

Be sure to join our next PLAN day in Groningen on May 15th, 2020!

BENELUX Kidney Meeting – October 11th

This October the BENELUX Kidney Meeting 2019 was organized by the NFN in collaboration with the Belgian society for Nephrology. Clinicians and researchers from The Netherlands, Belgium and Luxembourg gathered in Eindhoven for an interesting update about the latest developments in Nephrologic research. Topics like international differences in treatment emphasized the importance of international collaboration.

ASN Kidney Week November 2019

This year the ASN Kidney Week will be held in Washington DC, and of course PLAN will also be attending! A PLAN drink will be organized and the location, date and times will be announced during the conference via Facebook and Whatsapp.

NEWSLETTER - OCTOBER 2019

NierNieuws – Update!

We want to keep you updated on our latest interview in collaboration with NierNieuws.nl

The latest interview was conducted by our board member Anne Schijvens.

In the interview Nori Smeets tells about the HERO-study and her research on kidney function in critically ill pediatric nephrology patients. Read the interesting story [here!](#)

Be on the look-out for our next interview!

Upcoming PLAN day will be in Groningen

Get your agenda and reserve May 15th, 2020 for our next PLAN day, held at UMC Groningen! You can prepare yourself for an interesting day full of varying subjects presented by eager young scientists in the field of Nephrology. The full program will be announced in due time. For further information, please contact your local PLAN board representative. See you there!
