NEWSLETTER – October 2020

Dutch Nephrology Days 2020

This year the [Dutch Nephrology Days](https://www.nefrologiedagen.nl/inschrijven.html) have been postponed to **Tuesday 13** and **Wednesday 14 October 2020**. These days will take place as a virtual symposium you can attend from home. There is still a possibility to sign up at <https://www.nefrologiedagen.nl/inschrijven.html>

The **NFN scientific fall symposium** will be combined with the Dutch Nephrology days.

PLAN will organize the PLAN workshop (see below). We hope everyone understands that the PLAN drinks have to be postponed until next NND or an earlier moment to meet again in person!

PLAN workshop at the Dutch Nephrology Days 2020

This year, the PLAN workshop will be virtual as well. We have focussed on a topic which can help you improve your skills to impactfully present your ideas, posters and/or presentations to your colleagues in your field!

Be sure to attend the online **PLAN-workshop**. **Ad Schrama** will provide a workshop on **powerful pitching & influential communication** on Tuesday, the 13th of October from 11h50 to 12h50.

NierNieuws

Our board member Rosa Wouda has been busy conducting interesting interviews for NierNieuws.

Didier Collard from Amsterdam UMC uses a mathematical model to assess glomerular pressure. He explains his technique and elaborates on the clinical importance of his model. Read the article [here!](#)

Rianne Douwes and **Stephan Bakker** from UMC Groningen have found some interesting effects of proton-pump inhibitors on the mortality rates in a cohort of Dutch kidney transplant patients. Read the article [here!](#)

Be on the look-out for our next interview soon!

NEWSLETTER – October 2020

PLAN day Groningen ASAP!

Unfortunately, the next PLAN day had to be postponed due to COVID19. We will inform you as soon as we know a new date!

Introducing our new board members

Daan Kremer

My name is Daan Kremer, and I will be representing Groningen. I have started my PhD in February 2020, and I am working on TransplantLines, a large prospective biobank and cohort study among solid organ transplant recipients and donors. Hope to see you soon during one of our PLAN events!

Joost de Vries

My name is Joost de Vries and I will be representing the University Medical Centre Utrecht (UMCU). My research involves developing and testing novel (portable) devices for various types of dialysis. My role in the PLAN board will be 'Communication' and as such I will be responsible for the Facebook page.

Romy Bouwmeester

My name is Romy Bouwmeester and I will be representing Radboud University Medical Center, Nijmegen. My PhD focuses on atypical Hemolytic Uremic Syndrome (aHUS) and the use of eculizumab therapy in aHUS in the Netherlands. As a board member of PLAN, I aim to enhance research in (pediatric) nephrology by connecting researchers.
